### Requirements and Application for Volunteering

The Sidney Fire Protection District (SFPD) Auxiliary is an active service organization of men and women volunteers from the SFPD family and community. Specifically, Auxiliary members provide the following services:

- Scene Support
- Station Support
- Special Event and Social Planning Support
- Fundraising Support

Applicants must be 18 years old and complete HIPPA training conducted by the SFPD. No additional training is required for the social/special event and fundraising committees. Those interested in supporting emergency scenes or provide station support will receive orientation and on-scene/station training, must be physically able to carry 30 pounds, negotiate steps and uneven ground, and drive themselves to the emergency scene if required.
